CRAFT PROJECT: This month we'll be getting creative with some of Fiskars new products – Border Punches and Corner Punches. Bring some sharp paper scissors if you have some.

COMMUNITY SERVICE PROJECT: Our charity for this month will be the Catherine McAuley Center.

Basic everyday items such as clothing, toiletries and linens are in constant demand. You can help the Center and the people we serve by donating these items or any of the following on our Wish List:

- | | |
|-----------------|---------------------------|
| Toilet paper | Lotion |
| Paper towels | Feminine pads |
| Dish soap | Canned Tuna |
| Garbage bags | Canned fruit |
| Pillows | Dry beans, rice, cornmeal |
| Twin sheet sets | Peanut butter |
| Shampoo | Cereal |
| Tampons | Pasta / pasta sauce |

They also need cleaning supplies.

WEATHER POLICY: Please keep in mind that if Cedar Rapids Schools are cancelled, then we do not have a meeting.

HAVE YOU PAID YOUR DUES FOR THIS YEAR?: We still have a snow bird or two that needs to pay their dues. Glad to have you back "Up North". You picked a good year to go South. Call me or Kate if you need a form.

NOTE ON Rx BOTTLES: Remember to keep saving your empty prescription bottles with labels removed for the Free Clinic. They ask that the bottles also be washed. Please remember that they CANNOT take non-Rx bottles or even the pre-packaged bottles from the drug company—only the usual pharmacy ones that are usually green or brown.

TIP – DeSolv It, in a spray bottle cleans the goo from the labels off the bottles.

Thank you!

Arlys Huff and Joyce Smith -- Community Service Projects 2006-2007

REPORTS: Please remember that minutes and the treasurer's reports are available upon request.

MESSAGE FROM THE PRESIDENT: I do believe Spring is here. Those huge snow piles are almost gone and the grass is turning green again. We have two new kittens at our house this week, so we've been very entertained by them and kept very busy cat-proofing the entire house. They seem to think I need their help whenever I work on the computer and whenever I am trying to eat ! Everybody pray for sunshine and warm weather. See you on Wednesday.

Shari Burns

7 Signs it's Time to Clean the House

1. If you have just stepped on something and danced around in pain until you slipped on a magazine, it's probably time to pick up again.
2. If you find your scissors by feeling around your dining room table until you feel something hard of the correct shape, it's time to clear off a few things.
3. If you need a gas mask to open your fridge, you might think about throwing away some of those leftovers.
4. If you drop your comb in the bathroom and you pick it up with more hair than is currently attached to your head, it's time to sweep.
5. If your feet stick walking across the kitchen floor, it's time to mop.
6. If it takes more than 20 minutes to find your kids when you wake them up in the morning, it's time to have them clean their rooms.
7. If you haven't seen the floor of your car for a week because of the Happy Meal litter on the floor and 'wash me' is written in the dust on the outside of the car, it's time to take the hint.
