Next Meeting – October 18 – 4:30 p.m., Main Plant Cafeteria

CRAFT PROJECT: We will be making greeting cards - two for each person. You do not need to bring anything. Michelle Bell is in charge of this project and she will have everything you need. Many thanks to Michelle. We appreciate your time.

PIZZA: We will be having Pizza and Pop at this month's meeting. We will eat pizza first, then make cards. I think most of you have already put in your reservation and paid your dollar. If you haven't yet signed up, and would like to, call Gloria Waltke as soon as possible at 377-4576.

REGISTRATION FORM: October is the start of our new year. If you haven't already done so, please fill out a new registration form and return the form and your check for \$12 to Kate Leith. I have attached the form on the last page of this newsletter. If you prefer to mail it in, the address is on the form.

CLASSES INFO FROM DARLENE OZBURN: Donita Hageman is offering a class to paint a cute snowman on a sweatshirt, immediately following the October meeting. The class fee will be \$15. If you want to paint and have paintbrushes you can bring them. If you do not have brushes, she will provide all the supplies except the sweatshirt. You need to bring your own sweatshirt and it needs to be washed, NO fabric softener in the wash or dry cycle. She painted hers on a navy blue sweatshirt. Really neat. She will also have some sweatshirts for sale, various colors, washed and ready to use. She has 8 x-large \$10 ea. and 3 xx-large \$12 ea. She will have the pattern chalked on them. Donita is a great teacher, she paints the project with you, so you can see exactly what she means when she tells you what to paint. I think this is an easy enough project for anyone to paint. Please call Darlene Ozburn at 377-1974 if you think you may be interested in this class, so we can have enough brushes, etc.

I misplaced the list of names of the persons that signed up for the Felted Wool Ornament class. If anyone on the list would rather paint the sweatshirt, I understand, and I will schedule the class again so you can make the ornaments.

Attention: Occasionally we may schedule a class after the newsletter has been sent. Items will be brought to the meetings and classes will be offered. If you are interested in taking classes, you should attend the meetings to check out what is happening.

I read the results of the survey taken about what kind of classes you want. I need more specific information about the class choices. I will be handing out a questionnaire, please fill it out and return it to me. **Also note the changes in class sign up policy on the sign up sheets.**

BRICKS: Thelma Goetsch has volunteered to get our bricks for our November angel project. Much thanks to Thelma for doing that.

COMMUNITY SERVICE PROJECT: This month we will start our collection for our Christmas Adopt-A-Family. We will be collecting money for now, but when we get a family and find out what they need, there will be an opportunity to bring gifts and/or food items too.

Remember to keep saving your empty prescription bottles with labels removed for the Free Clinic. They ask that the bottles also be washed. Please remember that they CANNOT take non-Rx bottles or even the pre-packaged bottles from the drug company—only the usual pharmacy ones that are usually green or brown.

Thank you!

Arlys Huff and Joyce Smith -- Community Service Projects 2006-2007

PILLOW UPDATE: We have heard that the travel size pillows may be a seasonal item in some stores, so especially if you're at K-Mart, snap some up if they're a good price. You can either donate them, or get reimbursed from our Treasurer, Dee Roman.

CRAFT SHOW: There are currently NO tables left for the Rockwell Craft Fair. Jan O'Brien does have a waiting list though. Her number is 377-8111 if you need to call her. I talked to her yesterday and she said there are a lot of new people this year.

REPORTS: Please remember that minutes and the treasurer's reports are available upon request.

MESSAGE FROM THE PRESIDENT: I love fall and we've certainly had some beautiful weather lately. Went up to Wisconsin last week and saw lots of trees changing color already up there. Now I suppose it's time for that cold windy weather to start and blow all our leaves off the trees. Also, time to start thinking about Christmas.

Darlene Ozburn has been working really hard on getting some classes going for us. I have always thought I couldn't paint anything, but I'm going to give Donita's teaching skills a challenge and see what she can do with me.

Kate Leith has been working at learning all she needs to know from Sheila to keep up our membership and the database for keeping track of all of us. We appreciate your time Kate. Soon your workload will go way down and you can relax a bit !

I better get moving and get this in the mail.
See you on Wednesday.
