From the President

The new safelights are ordered and I hope to have them installed the week of July 14th. So, those of you wanting to use the darkroom, it should be up and ready to use. Please let me know how they work out.

We sure had a variety of great pictures to look at during the June meeting. The thing I noticed the most is how different people can look at the same thing and come up with such different personal and unique ways to show it in their pictures. The discussions about "how did you do this?" and "what were you trying here?" were great learning experiences for me.

Remember the photo contest is in August and elections in September. I want to get the list of officer candidates together for the September newsletter. If there are volunteers for the nomination committee please let me know, or I will appoint them in August. Also, let me know if there are any volunteers for an office.

That's it for now

Cliffy

July Meeting Topic

Submitted by Jim Zelle

The club's July meeting will be a tour of the film processing facilities at PhotoPro by Dave Johnson and his staff. As an added bonus, bring along a scratched, dusty, or faded negative or slide for a demonstration of how they can scan the image and remove scratches and dust prior to printing. PhotoPro's film scanner uses Digital ICE to remove surface defects such as dust and scratches from a scanned image.

Because of scheduling conflicts at PhotoPro, this meeting will be held on Thursday, July 24th at 7pm at PhotoPro instead of the normally scheduled date of July 17th. **THERE WILL BE NO CLUB MEETING ON THE 17th IN THE MAIN PLANT CAFETERIA.** An email reminder of the meeting change will be sent out on the 22nd.

Collins Photo Club (CPC) June Meeting Minutes

June 19th, 2003

The June meeting of the Collins Photo Club was called to order by president Cliffy Franzen at 5 pm with nine members present.

- The Marion Arts Council is holding a workshop the weekend of 20-21. Topics include night photography, portraits, digital and 3-D photography. Several club members are planning to attend.
- During September's meeting we'll elect next year's club officers. Pat has volunteered to continue as treasurer. Cliffy will be unable to continue as president since he'll begin grad school in the fall. Please consider volunteering for a club office this next year.
- Cliffy talked about his experiments in the darkroom with the safelights. Even with the bulbs over the enlarger removed and the remaining bulbs partially covered, the safelights still fogged photo paper. He suggested that the club obtain two more of the small safelights like the one previously purchased. A safelight could then be placed over the sink, the counter area between the sink and enlarger, and to the right of the enlarger. A motion was made and passed to purchase the safelights for a cost of about \$30 each.
- A discussion was held about the displaying of photos from the annual photo contest. Gary Hamer, the exhibit director, will call ARA about the possibility of displaying the photos in the 106 cafeteria. Since we have a limited number of display panels, it won't be possible to display everyone's photos together like in previous years. Most likely they'll have to be shown in groups of 20 for a week or so, depending upon how long ARA will let us have the display.
- Ideas were discussed about selection of a judge for the photo contest. Cliffy is going to contact Kirkwood
- After the business meeting concluded, club members who went to the trip to Cedar Rock on May 31st shared their photos.

Respectfully submitted by Jim Zelle, Vice President
